

HPC-Europa

Pan-European Research Infrastructure on High Performance Computing

Are you a scientist of postgraduate level or above,
working in the EU or an Associated State?

Do you require large computing power
to improve your research?

Would you like to visit a similar research group in Italy,
Spain, the UK, The Netherlands, France, or Germany?

Our EC-funded HPC-Europa Visitor programme could be the answer!

See what we can offer you:

- ♦ Access to the best high performance computing systems in Europe
- ♦ Technical support and consultancy
- ♦ Scientific collaboration with a host researcher
- ♦ Travel and living expenses
- ♦ Logistical and administrative support

See www.hpc-europa.org/ta.html

for more information and online application form.

The Programme runs until the end of 2007,

The submission is continuous:

selection meetings will be held every year in
February, May, August and November.

Applications for visits can be made to:

CEPBA-CESCA (Spain), CINECA (Italy), EPCC (UK),
HLRS (Germany), IDRIS (France), SARA (The Netherlands)
